TOPIC 1 OF 3 • RELEVANCE SCORE 95/100

Real-Time Payment Adoption

Campaign: "Instant Transactions, Instant Trust"

Real-time payment systems are becoming more prevalent, with Canada making significant progress in adopting real-time transactions.

WHY THIS FITS THE BRAND

Visa's brand identity is built on innovation and efficiency in financial transactions. Real-time payments align with Visa's strategic focus on advancing payment technologies and enhancing consumer experience, especially in a growing market like Canada.

TARGET AUDIENCE

Tech-savvy consumers aged 25-45, residing in urban areas of Canada, with a focus on early adopters of financial technology.

CORE MESSAGE

Experience the future of payments with Visa. Instant transactions, seamless convenience, and unparalleled security.

CHANNEL STRATEGY

Channel	Activation Tactic
Instagram & TikTok	Launch a series of engaging short-form videos showcasing the benefits of real-time payments, emphasizing Visa's role in making transactions faster and more secure.
Email	Send targeted email campaigns to Visa cardholders, highlighting the new real-time payment features and offering exclusive benefits for early adopters.
CTV	Broadcast commercials during peak viewing hours, focusing on Visa's commitment to innovation and the seamless integration of real-time payments into everyday life.
Influencer Partnerships	Collaborate with financial influencers to create sponsored content that educates and excites their followers about the advantages of real-time payments.

KEY PERFORMANCE INDICATORS

#	Key Performance Indicator
1	Increase in real-time payment transactions by 20% within the first quarter
2	Email open rate of 35% for Visa's real-time payment promotional emails
3	Instagram and TikTok engagement rate of 2.5% for campaign-related content

BRAND SYNERGY

This campaign reinforces Visa's brand identity as a leader in innovative payment solutions, enhancing consumer trust and satisfaction through the seamless adoption of real-time payment technology.

TOPIC 2 OF 3 • RELEVANCE SCORE 85/100

Digital Wallet Usage

Campaign: "Securely Yours: Embrace the Future of Payments"

Digital wallets are becoming increasingly popular, with 93% of consumers considering emerging payments such as biometrics and digital currencies.

WHY THIS FITS THE BRAND

Digital wallets resonate with Visa's brand identity of security and convenience. Visa can leverage its global reach and existing partnerships to quickly integrate emerging payment methods, enhancing its product portfolio and competitive edge.

TARGET AUDIENCE

Tech-savvy millennials and Gen Z in urban areas, aged 18-35, who prioritize convenience and security in financial transactions.

CORE MESSAGE

Experience the future of payments with Visa's digital wallet, where security and convenience meet.

CHANNEL STRATEGY

Channel	Activation Tactic
Instagram & TikTok	Influencer partnerships and user-generated content challenges to showcase the ease and security of Visa's digital wallet.
Email	Personalized email campaigns highlighting the benefits of Visa's digital wallet, including security features and integration with biometrics.
CTV	Short-form video ads demonstrating the seamless integration of Visa's digital wallet with emerging payment methods.
Social Media Ads	Targeted social media ads on platforms like Facebook and Twitter, emphasizing the security and convenience of Visa's digital wallet.

KEY PERFORMANCE INDICATORS

#	Key Performance Indicator
1	Increase in digital wallet sign-ups by 20% within the first quarter
2	Achieve a 15% engagement rate on Instagram and TikTok campaigns
3	Generate 10,000 user-generated content submissions on social media

BRAND SYNERGY

This campaign reinforces Visa's brand identity as a leader in secure and convenient payment solutions, aligning with its strategy to integrate emerging payment methods and enhance its product ecosystem.

TOPIC 3 OF 3 • RELEVANCE SCORE 80/100

Cross-Border Payments Consolidation

Campaign: "Visa Connects: Global Expansion Through Partnership"

The cross-border payments industry is seeing increased consolidation, with acquisitions driving wider trends in the sector.

WHY THIS FITS THE BRAND

Cross-border payments consolidation presents an opportunity for Visa to strengthen its market position by acquiring or partnering with smaller players, thereby expanding its global footprint and reinforcing its leadership in international transactions.

TARGET AUDIENCE

Financial institutions, startups, and small businesses involved in cross-border transactions

CORE MESSAGE

Visa is expanding its global reach through strategic partnerships and acquisitions, making cross-border transactions seamless and secure for all.

CHANNEL STRATEGY

Channel	Activation Tactic
Instagram & TikTok	Influencer partnerships to showcase Visa's global reach and success stories
CTV	Branded content highlighting Visa's leadership in cross-border payments
Email	Direct mail to financial institutions and startups with case studies and partnership opportunities

KEY PERFORMANCE INDICATORS

#	Key Performance Indicator
1	Increase in cross-border transaction volume by 15% within 6 months
2	20 new strategic partnerships or acquisitions announced within 12 months
3	50% increase in engagement on social media platforms focused on cross-border payments

BRAND SYNERGY

This campaign reinforces Visa's position as a leader in cross-border payments, aligning with its brand identity of global connectivity and innovation. It also supports Visa's product ecosystem by promoting its suite of international transaction solutions.
